School Music Program Participation

Educators,

Your student has been accepted into Bremerton Youth Symphony! Bremerton Youth Symphony encourages all participating musicians to take advantage of the performing arts programs offered by public and private schools such as band, orchestra, drama, and choir. Although we recognize that scheduling issues may arise, BYS does ask students to make every effort to participate in these programs. If there is a conflict between BYS activity schedules and school activities, the school programs take precedence.

Our Bremerton Youth Jazz Ensemble can be an enormous force to their schools in demonstrating the importance of creative musical work in education. Bremerton Youth Jazz Ensemble is fully committed to working with school music instructors to find creative ways of participation to enhance music education and be a source of pleasure and accomplishment for everyone.
